Thank you for your support of our Presentation Day celebrations.

Save water now

*Don't muck about,
we're in drought*

Level 2 water restrictions in force from Friday 13 December 2019

Over the school holidays, we need everyone to use 50 litres less water every day - that's five household plastic buckets!

It's easy, just:

don't play with water toys that shoot water or plug into a hose

try not to use any water outdoors

cut your shower time to 4 minutes

use ½ glass of water to clean your teeth (don't run the tap)

for a family do 3 loads less of washing a week by making sure the loads are full

check for leaks and dripping taps and fix them, and ensure your rainwater tank is not being topped-up by the town supply

Clarrie Hall Dam is dropping by nearly 2 per cent a week.

We need everyone to pull together to **Save Water Now!**

Go online at www.tweed.nsw.gov.au/savewaternow to find out more.

Have a safe and enjoyable school break.
