

KINDERGARTEN ZOO SHOWCASE DAY

On Friday 28 May, 2021 KB, KK and KT invited their families and students at the school to come visit their Zoo.

The Kindergarten students worked really hard with their buddies from 5/6B, 5/6E and 5/6V to create the Zoo animals and related information.

It was a very successful event. A big thank you to all the family members who came along to celebrate all our hard work.

KINDERGARTEN ZOO SHOWCASE, SO MUCH FUN HAD BY EVERYONE AT BILAMIBL PUBLIC SCHOOL!

YEAR 5 "ALL AROUND THE WORLD" SHOWCASE

Last week, while Year 6 were on camp in Canberra, our Year 5 cohort came together as one class to work cooperatively in small groups on a Geography research project about a country they were allocated.

They were required to identify their country's location, language, population, and culture. For the students to discover their country of study, they first had to complete a jigsaw puzzle of the country's flag before participating in a treasure hunt around the school to find that flag, which enabled the students to identify their countries name.

On Friday 4 June, the students participated in a 'Celebration of Learning' to showcase their learning and present their displays to the whole school and parents. Students shared their country's culture by dressing up and bringing along a sample of food which they later shared with each other. It was a fun-filled day and it was fantastic to see so many family members able to attend.

WELCOME TO THE WONDERFUL CLASS THAT IS 4/5B

So far we are having a brilliant year. Our days are full of lots of learning and fun along the way. These are some of the great things we have been doing during our weeks: We have been busy learning about living things in Science this semester. Classifying animals into scientific groups by researching their various features to then classify them and carry out research to gain a greater depth of knowledge on animals that we may not know that much about.

In English we read the magnificent book Penguin Bloom, which is based on a true story of a family who lives on Sydney's northern beaches and a drastic accident left Sam Bloom (mum) permanently paralysed and in a wheel chair. A little magpie called Penguin is rescued by the boys and helps the family positivity in their lives again. 4/5B learned from reading this book, that no matter how tough life might be to never ever give up.

We are now reading Boy Overboard, which is highly interesting and initiating a lot of discussion. This story has led us to learn a lot more about different cultures and countries from around the world especially Afghanistan, making everyone realise how lucky we are to live in Australia.

4/5B participates in fitness each day and relaxation for fifteen minutes after recess. During this time we participate in deep breathing exercises, quietly laying on the floor and other days silent reading or quietly drawing at our desks.

Each week we complete activities related to Growing Stronger Minds. We particularly enjoyed the team work activity of trying to pass a hoop from one person to the next without using our hands.

We hope you have enjoyed getting an insight into a little snippet of our daily lives in 4/5B!

NSW Public Education's Charity of Choice Donation Drive Winner

Congratulations to the Winner of the 2021 Donation Drive!

We're sincerely thankful for your fundraising support and delighted to share that the 2021 Stewart House Donation Drive winner is a lucky student from **Bathurst Public School**. We are so pleased the student and his family will be able to make great use of the \$4,000 travel voucher.

A special thank you to all school staff who processed the envelopes and arranged for their return and payments. For those schools still yet to finalise their payments, please see below for the different options.

As our major annual fundraising event in NSW public schools, we depend on the funds raised through the "Stewart House envelopes" to help with the \$5 million needed each year to run our unique Program.

REMEMBER TO PICK UP YOUR PIES

We had a fabulous response to our HomeStyle Bake Pie Drive. Thank you to all who supported this fundraiser. Don't forget your delicious pies and other ordered goodies will be arriving at school next Tuesday 15 June. Please ensure you have made arrangements to have your order picked up from the school hall between 12-3pm.

ATHLETICS CARNIVAL HELP NEEDED

The school's annual sports day always has a great vibe about it. Some of that has to do with the fantastic cake stall, sizzling sausages and fresh coffee aromas which can only happen with the support of our friends and families who volunteer to help us out on the day.

We really need extra hands on deck this year as some of our regulars are unavailable due to injury or work commitments so if you can volunteer for just an hour or two on the day it would really make a mean a lot to us.

We particularly need help setting up from 8-9am, as well as on the barbecue and pack-up at around 1.30pm. Please get in touch if you can help in any way by sending us a message on Facebook or text Belinda on 0404 013 085.

A note will go home next week with details on how to pre-order your Athletics Carnival sausage sizzle.

CAKE STALL DONATIONS

We're looking for donations of baked, or bought, goodies to offer at our Athletics Carnival Cake Stall. Please drop all donations at the Jets sportsfields after 8am on the day, or send them in to school with your child. Please include a list of ingredients, and mark your child's name and class on any containers you would like returned.

CANTEEN OPEN WEDNESDAY AND FRIDAYS

Unfortunately we're still only able to open our canteen Wednesdays and Fridays for the rest of the term. We're hoping we'll be able to bring you some better news in Term 3. We hope your ankle is healing quickly Danelle!

FUNDING ASSISTANCE

Did you know the P&C can provide funding assistance to students and teams who **represent our school** at a state, national or international level? Individuals can receive up to \$50 towards the costs of attending the event, whether it be for a sporting, academic or creative arts achievement.

Please talk to Mr Touzell, the school sports co-ordinator, for an application form and copy of the P&C policy if you think you may be eligible. Conditions apply.
