

THANK YOU – KINDERGARTEN TRANSITION

I would like to start this fortnight's newsletter with a thank you to our community for choosing to send your beautiful little cherubs to Bilambil PS. We have had a wonderful first two transition sessions for our 2023 Kindergarten cohort, with 49 kids enrolled for next year. Thank you to our teachers and SLSO's for the wonderful support of the kids who have enrolled. Our Kindergarten rooms were certainly a hive of activity during the sessions with our new students well supported by current Kindergarten kids and Year 5 buddies. We thank everyone for the effort that went into making this a great start for the kids who will be with us in 2023.

Thank you also to the parents who were able to stay for information sessions provided in our school hall over the last two Tuesday's. We hope this information was helpful. Next Tuesday, 22 November, will be our third and final Kindergarten Transition session from 9.30am to 12.30pm. There is no parent session on this day so it will just be a drop-and-run situation. Please note that all students will be bringing home a calico library bag at the end of this session with some additional information from the school, our P&C, and class teachers.
